hannahs quest

hi peoples this is my FIRST fanfic can u believe it? i hope u love it xoxo 333 for my bf jake u are my 1first luv and #bae even tho u wont speak to me any more becuz of i accidentally broke ur controller but I LOVE u! and he's also the inspire for this story idk nothin about skyrim but he does of course so i ask him becuz that's what good couples do and i also dedicate this to JB! enjoy reading and pls write reviews I'm an aspiring writer and i wanna improve becuz JB is life !3

hi! my name is Hannah mae bieber and I'm a dragon born that means i can do shouts and scream things and every1 luvs me xoxo 3! i also have a great singing voice kind of like demi lovato and selena gomez except better becuz I'm the dragon born but did u know? theres also another dragon born his name is JB that stands for justin bieber he has a tattoo of a dragon thats how u know he's a dragon born lol! he also has a tattoo that says hannah is the #1 best on his 4head and its so HOT!lol! so basically if u wanna know what i look like haha who doesn't lol I'm the hottest girl in the 5th grade i have blonde almost platinum hair did u know that platinum is a rare metal? I'm good at science too lol! but my hair also has orange and pink streaks not light pink and orange but neon pink and orange its better that way so that cars can see u in the dark and not hit u even tho this is sky rim not real life! but I'm the dragon born so it looks awesome like imagine a pink and orange dragon thats so cool rite? so did u know the my hair is SCE?NTEd like bath and body works the cherry blossom scent i forgot whats it called but ut smell like cherry blossom and even hints of justin bier's gf perfume lol! so of course i smell so good even tho ever1y un sky rim smells like axe and old spic e which is GROSS esp when they spray it all oVER THE FUKIN place

EW!

but anyways,, i was like having a total blast w/ my elf follower his name is fandel he kind of looks like legolas except older but thats cool because every1 knows orlando bloom is a total hottie also in my group was my bf justin bieber he still had that haircut he had a couple yr s ago that cute haircut not that nasty one he has now. anyways www were gong go to dungeons and get jewels because i can sell them for money! dod u know my fave shop is abercrombie and fitch they have cute clothes not hollister cuz hollister is for posers and fakers or whatevs u wanna call them lol! they had a holster in whiterun so i burned it down using magic powers (yea I'm so strong! GURL POWR!) so yea now i was wearing short shorts and a tank top the said abercrombie and fitch on it i think JB liked it b cuz he was looking at me all flirty! so i said "hey biebs i see u noticed my new outfit" and he blushed an said " o yea i like it" and smiled his teeth are perfect like mine too lol! and fanndel also noticed my outfit and EW I SAID "gross GO AWAY u perV!" (yea i rly said that!lol!) and he was all sad so i forgived him and he said "thx hannah ur the best"

so that was my first adventure in the land of sky rim ifs u like it pls leave a good review b cuz I'm always improving my writing skill and this is my FIRST FANFIC so DONT JUDGE or be mean I'm trying to improve too lmoa!
